**Library Liaison**

Angie Shipp reported as library liaison, announcing that Ingram will be replacing Baker & Taylor as the library's main vendor for book purchases. The transition to new processes will be underway shortly.

**Trivia Night**

A brief discussion of the recent Shamrock Showdown was held, including participant reactions to changes such as the elimination of the tailgating contest. Trivia Night co-chair Kuhlman then suggested that a binder of procedures for running Trivia Nights be compiled in order to organize and preserve the necessary knowledge of all the different activities involved, which would also help in training future committee chairs and volunteers. The group agreed that this is an excellent idea, and that it should be further discussed at the Trivia Night post-mortem to take place after Schulte's return.

**New Business:**

**FOCCL Website**

Martens proposed obtaining an additional domain name to point to our coronado-library.com website, at John O'Brien's suggestion, in order to make it easier for people to find us. The group unanimously approved this, as the cost is only about \$20.

**Calendar:**

March 23 Village Clean-Up group presentation will be attended by Kuhlman, who will report back.

March 24 Meet and Greet at the Coronado Center will be staffed by Eshenour, Martens, and Welle.

March 25 Partner-Up event at Mt. Carmel Community will be attended by Eshenour and Shipp.

The meeting was adjourned at 2:10 PM.

Respectfully submitted,
